2019 YEAR IN REVIEW

DELIVERING FOR NEW JERSEY'S THIRD DISTRICT

Congressman Kim discusses flooding & resiliency with Ocean County shore mayors.

A MESSAGE FROM CONGRESSMAN ANDY KIM

I've started each of my town halls by reminding you, the people of New Jersey's Third District, that you're the boss. I do that because I'm committed to honoring that role. My highest priority in Washington is representing you, your family, your needs and your priorities.

I'm proud of what we've accomplished in our first year in office.

I've taken my direction from you and am focused on lowering health care and prescription drug costs, fixing the broken system in Washington, fighting for those who serve or have served and helping our small businesses. I'm humbled by the opportunity to represent you and I look forward to building on the progress we've already made in 2020.

It's why I have worked to hold town halls every month. It's why I'm fighting to cut bureaucracy that stands in the way of small business owners, veterans and seniors. And it's why I'm dedicated always listening to you first.

There's no issue I hear about more from neighbors in New Jersey than the cost of health care.

This is why my first bill was a bipartisan effort to expand lower cost options, and I've worked to pass bills that would lower the price of prescription drugs and make health care more affordable for seniors.

LOWERING HEALTHCARE COSTS

Congressman Kim talks with health care professionals in Burlington County.

- ➔ Led effort to pass HR3 in the House to lower prescription drug costs
- ➔ Authored a bipartisan bill, **the SAVE Act**, to increase access & lower health care costs
- ➔ Helped NJ03 small business owner save thousands of dollars annually on healthcare costs
- ➔ Fought to add vision, hearing and dental to Medicare

Kim: The fight to lower prescription drug prices continues

The men and women who have served our country, and who still wear the uniform, deserve our full respect and support.

Over the past year, I've made it my mission to support our troops with a pay raise, help their families by creating new opportunities, and improve health care for our veterans who deserve the best.

FIGHTING FOR THOSE WHO SERVE

Congressman Kim talks to a veteran at a Memorial Day event.

- ➔ Fought for a 3.1% pay raise for our troops & 12 weeks paid family leave for all federal employees
- ➔ Secured additional funding for good-paying jobs near the Joint Base
- ➔ Increased job training & relicensing help for military spouses

KIM, SMITH SEEK ANSWERS ON NEW VA CLINIC TIMING

Across our district, small business owners are creating good paying jobs and opportunity. Last year, I worked to put their voices and priorities first.

I brought the Small Business Committee to New Jersey and solutions to our communities so our entrepreneurs can get our neighbors to work.

Congressman Kim talks with a local small business owner in Burlington County.

- ➔ Only Member of Congress from NJ on Small Business Committee

Our Congress needs to work for you, not special interest groups. I've worked over the past year to make Congress more accountable to you.

Congressman Kim speaks about the need to reform our government.

- ➔ Leader in the fight to pass landmark campaign finance and ethics reform legislation
